

UNIT

2

Towards History

Learning Objectives

Students can:

- ❖ know about the Stone Age.
- ❖ understand the Nature of Human Evolution.
- ❖ understand the Human Nomadic life.

Stone Age

In the beginning humans were not aware of metals. They took several years to discover metals. Our lives today are their gifts. During this period humans were not aware of scripts. The **Stone Age** is the period in which **Stones** were used as **weapons**.

Stone weapons
