

UNIT

4

Atmosphere

Learning Objectives

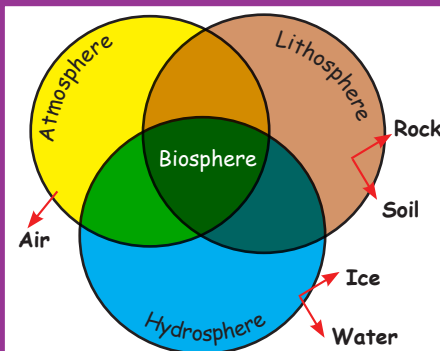

Students can:

- ❖ know about the Biosphere.
- ❖ understand the Atmosphere.
- ❖ understand the different types of wind and clouds.

Biosphere

Biosphere is the combination of **Lithosphere**, **Hydrosphere** and **Atmosphere** that can support life.

- **Lithosphere** - Land on Earth
- **Hydrosphere** - Water on Earth
- **Atmosphere** - Air on Earth
- **Biosphere** - Life on Earth
